## Provenance Signature Collection by Laura Muller Assembly Instructions

### STEP 1: LOCATE THE ASSEMBLY PARTS IN THE TABLETOP CARTON BOX.

- Open the carton box containing the tabletop.
- Remove all parts: 2 metal support brackets and 1 red plastic bag containing the assembly parts A, B and D.
- Check against these instructions that you have all the correct counts of assembly parts.
- Remove the support brackets from the back side of the tabletop.

### STEP 2: UNPACK THE PEDESTAL BASES & MOVE THEM TO THE DESIRED LOCATION OF ASSEMBLY AND USE.

- Position the support brackets on top of the pedestal bases, lining up the holes of the support brackets with the holes in the pedestal bases.

- Thread 4 bolts through one support bracket and hand tighten to one pedestal base using the Allen key. Repeat with another 4 bolts for the second support bracket and pedestal base.
- Make sure the support brackets are securely fastened to the pedestal bases.
- Recheck that the pedestal bases are positioned in the final desired location.

---

### STEP 3: ADJUST THE PEDESTAL BASE GLIDES (located on the bottom of each pedestal base).

- Adjust the leveler glides to desired height on each pedestal base.

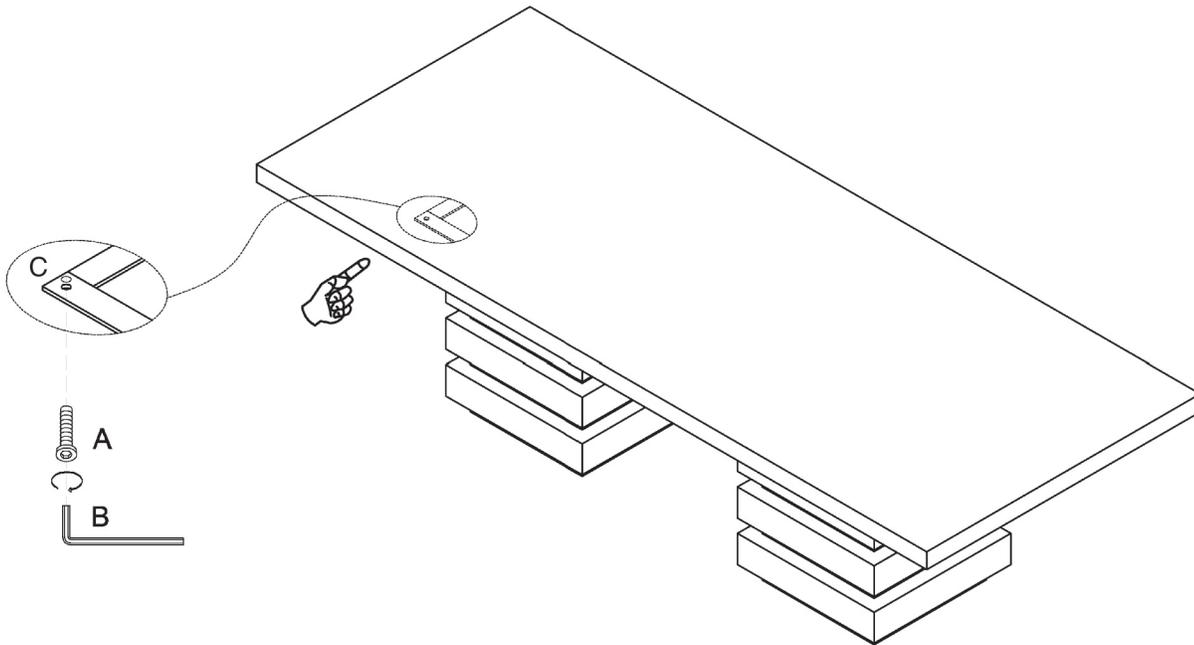

### STEP 4: MOVE THE TABLETOP ON TOP OF THE PEDESTAL BASES AND ATTACH.

- Lift all sides of the tabletop at the same time.
- Position the tabletop centrally over the pedestal bases, using the holes in the tabletop as a guide to line up with the holes in the support brackets.
- Using 4 bolts for each pedestal base, connect the tabletop to the support brackets.

- Hand tighten the bolts with the Allen key and make sure the tabletop is well secured to each support bracket and each pedestal base.

---

### STEP 5: MAKE FINAL ADJUSTMENT TO BOTH PEDESTAL BASE GLIDES FOR IDEAL TABLE HEIGHT.

- Check that the assembled dining table is the correct height. Dining tables typically measure about 30 inches (from ground surface to tabletop).
- Check to see if your dining chairs fit well underneath the tabletop.
- Adjust glides if necessary.
- Well done—you did it. Enjoy!

### CLEANING AND CARE

Treat all surfaces of the bench with care. While the surface is scratch resistant, avoid items that can damage the surface material.

Clean all surfaces with a dry or damp, soft cloth on a regular basis.

DO NOT use any abrasive cleaners or liquids.

The assembly parts may loosen over time. Periodically check that the top and base are well-secured.

For detailed product care instructions, read the instructions shipped with your table or visit [SeasonalLiving.com](http://SeasonalLiving.com) and navigate to the product page for more information.
