## Provenance Signature Collection by Laura Muller Assembly Instructions

### STEP 1: LOCATE THE ASSEMBLY PARTS IN THE TABLETOP CARTON BOX

- Open the carton box containing the tabletop.
- Remove all parts: 1 metal support bracket and 1 red plastic bag containing the assembly parts A, B and D.
- Check against these instructions that you have all the correct counts of assembly parts.
- Remove the support bracket from the back side of the tabletop.

### STEP 2: UNPACK THE PEDESTAL BASE & MOVE IT TO THE DESIRED LOCATION OF ASSEMBLY AND USE

- Position the support bracket on top of the pedestal base, lining up the holes of the support bracket with the holes in the pedestal base.

- Thread 4 bolts through the support bracket and hand tighten to the pedestal base using the Allen key.
  - Make sure the support bracket is securely fastened to the pedestal base.
  - Recheck that the pedestal base is positioned in the final desired location.
- 

### STEP 3: ADJUST THE PEDESTAL BASE GLIDES (located on the bottom of the pedestal base)

- Adjust the leveler glides to desired height.
- 

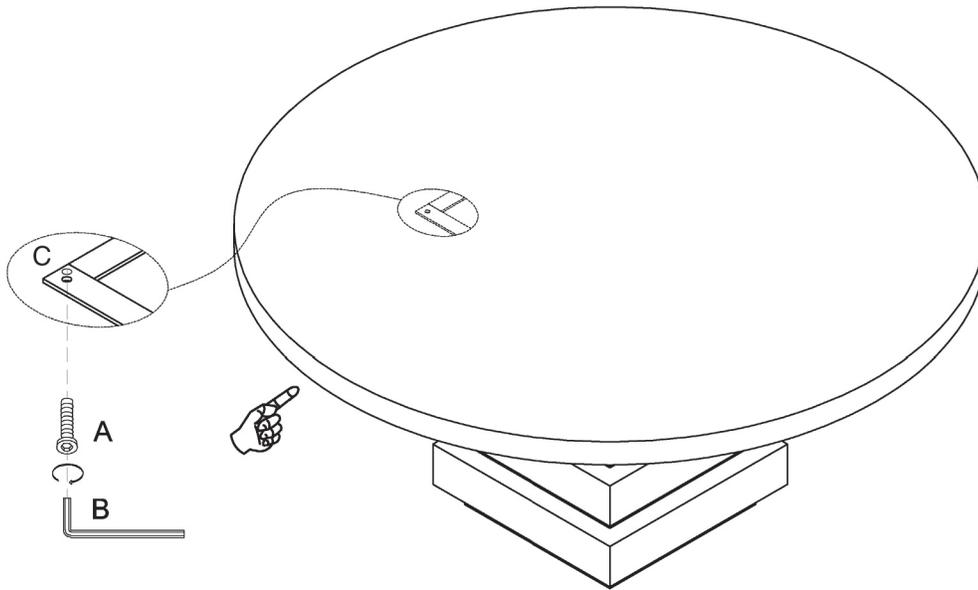

### STEP 4: MOVE THE TABLETOP ON TOP OF THE PEDESTAL BASE AND ATTACH

- Lift all sides of the tabletop at the same time.
- Position the tabletop centrally over the pedestal base, using the holes in the tabletop as a guide to line up with the holes in the support bracket.
- Using the remaining 4 bolts, connect the tabletop to the support bracket.

- Hand tighten the bolts with the Allen key and make sure the tabletop is well secured to the support bracket and pedestal base.

---

### STEP 5: MAKE FINAL ADJUSTMENT TO PEDESTAL BASE GLIDES FOR IDEAL TABLE HEIGHT

- Check that the assembled dining table is the correct height. Dining tables typically measure about 30 inches (from ground surface to tabletop).
- Check to see if your dining chairs fit well underneath the tabletop.
- Adjust glides if necessary.
- Well done—you did it. Enjoy!

### CLEANING AND CARE

Treat all surfaces of the dining table with care. While the surface is scratch resistant, avoid items that can damage the surface material.

Clean all surfaces with a dry or damp, soft cloth on a regular basis. DO NOT use any abrasive cleaners or liquids.

The assembly parts may loosen over time. Periodically check that the top and base are well-secured.

For detailed product care instructions, read the instructions shipped with your dining table or visit [SeasonalLiving.com](http://SeasonalLiving.com) and navigate to the product page for more information.
